

Knowledge and Information Systems — submission checklist

Official pages:

- <https://link.springer.com/journal/10115>
- <https://link.springer.com/journal/10115/aims-and-scope>

1 Article type

Regular research article (not a Short Paper). KAIS regular papers should stay within about 15,000 words; a full-page figure or table counts as 500 words.

2 Journal fit used in this package

- Knowledge discovery / data mining / learning
- Inspectable region-specific feature menus as local acquisition knowledge
- Anytime (budgeted) evaluation plus mixed/negative controls
- Comparative study: global stepwise, localized Lasso–LARS, VIF, abs-corr, random

3 Files in this folder

File	Role
COVER_LETTER.tex / .pdf	Cover letter to KAIS
README.tex / .pdf	Reproduction notes
CODE_AVAILABILITY.tex / .pdf	How to run the code
SUBMISSION_CHECKLIST.tex / .pdf	This checklist
Region-Specific_IFM_for_PFR.tex	Manuscript source
Region-Specific_IFM_for_PFR.pdf	Compiled manuscript
references.bib	Bibliography
figures/	Figure assets
extra_evidence.json	Menu-overlap and localized-Lasso numbers
stability_and_budget.json	Measurement-budget and stability numbers
../src/ and ../examples/	Implementation (project root)

Do not upload `submission_kbs/` as part of this submission. Instruction files in this folder are LaTeX, not Markdown.

4 Springer packaging notes

- Author–year citations (`natbib` + `plainnat`). Production may restyle after acceptance.
- Declarations: author contributions, competing interests, funding, data and code availability.
- KAIS does not require Elsevier Highlights. Do not upload `submission_kbs/HIGHLIGHTS.md`.
- Title page information is on the first page of the manuscript.

5 Compile the manuscript

```
pdflatex Region-Specific_IFM_for_PFR
bibtex    Region-Specific_IFM_for_PFR
pdflatex Region-Specific_IFM_for_PFR
pdflatex Region-Specific_IFM_for_PFR
```

6 Code release

The implementation is complete in this project. After the public GitHub repository exists, insert the URL in the Data and code availability paragraph of the manuscript and in `README.tex` before upload.
